

FXMARKETSPACE CONTINUES TO BUILD TEAM IN LONDON, CHICAGO AND NEW YORK

London/ Chicago/ New York – May 30th 2007. FXMarketSpace, the first centrally-cleared, global foreign exchange (FX) platform for the over the counter (OTC) market, today announced a further expansion of its team with the following appointments:

- **Clarence Seals as Senior Vice President and Head of Product Management.** Seals joins from Merrill Lynch where he was Director of Global Private Client FX, responsible for strategic business and product development. Prior to this he worked for Citibank and Deutsche Bank in various sales and trading roles, including managing institutional investor sales. Seals is based in New York and reports to Mark Robson, Chief Executive Officer.
- **Mark Bucaj as Vice President, Product Management.** Bucaj joins from Currenex where he was Director of Product Management responsible for strategic planning and new product development. He has 16 years of experience in the financial sector including 12 years at TD Waterhouse, with roles including product manager of listed options trading and development of trading applications. Bucaj is based in New York and reports to Clarence Seals, Head of Product Management
- **Sue Attwood as Vice President, Customer Solutions.** Attwood joins from ACI UK, where her main focus was in the delivery of FX training, particularly ACI Australia's Dealing Simulation course. She has over 20 years experience in the Foreign Exchange Market, mainly at the Bank of England where she was previously Deputy Chief Dealer, responsible for Liquidity Management and the Money Market Customer book. Attwood is based in London and reports to Aly Wilson, Head of Customer Solutions EMEA.
- **Bill Keane as Technical Project Manager.** Keane joins from Ipreo, where he was product manager in the Fixed Income division, responsible for launching the trading platform as well as other new hosted applications. Prior to this he worked in the FX industry at Misys as a senior business analyst and at ING Barings, on the emerging markets FX desk. Keane is based in New York and reports to Yigal Oren, Senior Vice President and Head of Operations.
- **Michael Babic as Sales Specialist.** Babic joins from Deutsche Bank where he was a Relationship Manager in their FX Prime Brokerage business, responsible for covering hedge fund clients. Prior to this he was a project manager for Deutsche Bank's Rates Middle Office area where he oversaw market initiative projects as well as strategic planning. Babic is based in New York and reports to Philip Harris, Senior Vice President and Head of Sales for the Americas and EMEA.
- **Jeanette Fengels as Project Manager, Clearing and Settlement.** Fengels joins from Deutsche Boerse where she held the position of Clearing Specialist. Prior to this she held a number of positions in client services and clearing support roles, with Deutsche Bank, JP Morgan and Cylon Financial. With over 10 years of experience in clearing operations and client support, Fengels is based in London, and reports to Debra Rabichow, Senior Vice President and Head of Clearing and Settlement.

- **Ameeta Modi as Legal Counsel.** Modi previously worked at UBS Investment Bank, where she was an in-house lawyer in the Corporate Legal Services Team for 5 years. Prior to this she worked in private practice in London. Modi is based in London and reports to Jane Forster, Senior Vice President and Head of Legal and Compliance.
- **Kevin Higgins as Finance Manager.** Higgins joins from Lowe and Partners Worldwide Limited, part of the Interpublic Group, where he was Finance Manager responsible for the reporting of management accounts and quarterly external audit liaison. Prior to this he worked for PDV Limited for 5 years, where he progressed to the role of Financial Controller. Higgins is based in London and reports to Cheri Giglia, Senior Vice President and Head of Finance.

“As we continue to drive our business forward we have been able to build a global team that represents some of the best expertise in the FX industry”, said Mark Robson, Chief Executive Officer, FXMarketSpace. “I am delighted to welcome each of these new team members, all of whom will be responsible for the delivery of superior service and innovative products to our customers.”

About FXMarketSpace

FXMarketSpace, a 50/50 joint venture between Reuters (LSE: RTR.L; NASDAQ: RTRSY), and CME (NYSE: CME; NASDAQ: CME), is the first centrally-cleared, global, over the counter foreign exchange (FX) marketplace. FXMarketSpace is the first FX platform involving the entire spectrum of market participants including global and regional banks, asset managers, corporations, hedge funds and other market makers. The platform utilises CME’s central counterparty model and clearing function, with access via Reuters premium desktop services and CME’s API. The result is a platform that is uniquely positioned to reduce risk, provide deep liquidity, support anonymity and price discovery, while cutting costs and increasing efficiencies for inter-dealer and institutional FX transactions.
