

FXMARKETSPACE EXTENDS TEAM IN LONDON, CHICAGO AND NEW YORK

London/ Chicago/ New York – March 13th 2007. FXMarketSpace, the first centrally-cleared, global foreign exchange (FX) platform for the over the counter (OTC) market, today announced a further expansion of its team with the following appointments:

- **Tom Koslowske, as Vice President, Sales.** Koslowske joins from ABN Amro where he was a sales trader, responsible for increasing new business from North American financial institutions. Prior to this he worked for the Hedge Fund Strategies Group at Goldman Sachs Princeton, LLC. Koslowske is based in New York and reports to Philip Harris, Senior Vice President and Head of Sales, Americas.
- **Noel Singh, as Vice President, Sales.** Singh has over 14 years of experience in the FX market and joins from Dresdner Kleinwort where he was responsible for the creation and development of their FX prime brokerage platform. Prior to joining Dresdner Kleinwort, Singh was Sales Executive for EBS, responsible for the Nordic region. Singh is based in London and reports to Rick Sears, President and Chief Sales Officer.
- **Iain Bonner-Fomes, as Vice President, Customer Solutions.** Bonner-Fomes joins from Charles River Development where he was a hedge fund consultant to the buy-side community. Prior to this he worked in the FX industry with Tullett and Tokyo and MW Marshall as a forward and off balance sheet arbitrageur. With over 18 years experience in the fields of FX and derivatives, Bonner-Fomes is based in London, reporting to Dan Rosenberg, Senior Vice President and Head of Customer Solutions.
- **Tamara Miles, as Account Manager, Customer Solutions.** Miles joins from ABN Amro where she was responsible for managing client services within the FX Prime Brokerage division. Prior to this she was a treasury officer, also with ABN Amro. She is based in Chicago and also reports to Dan Rosenberg.
- **Ash Zenhom, as Account Manager, Customer Solutions.** Zenhom joins from LavaFX where he was responsible for trade and application support. Prior to this he was a business development executive at Refco. Zenhom is based in New York and also reports to Dan Rosenberg.
- **Avtar Sian, as Account Manager, Customer Solutions.** Sian joins from CME where he was responsible for customer implementation and account management in Europe. Prior to this he was a project manager for IBM, specialising in the banking sector. Sian is based in London, reporting to Aly Wilson, Vice President and Head of Customer Solutions, EMEA.
- **Jacklyn Fennessey, as Marketing Specialist.** Fennessey joins from Wireless Generation, Inc where she was responsible for branding, brochureware design, events, direct mail and web marketing. Prior to this she worked for Information Builders, Inc as a marketing assistant. Fennessey is based in New York, reporting to Jake Smith, Vice President and Head of Marketing.

- **Wilmer Correa, as Project Manager, Operations.** Correa joins from EBS where he was a senior systems engineer responsible for engineering and product integration. Prior to this he worked for Electronic Data System as a quality assurance analyst. With seventeen years of experience in Information Technology, Correa is based in Chicago and reports to Yigal Oren, Senior Vice President and Head of Operations.

“FXMarketSpace continues to attract some of the best talent within our industry and I am delighted to welcome each of these individuals to our team,” said Rick Sears, President and Chief Sales Officer, FXMarketSpace. “They will all play a significant role in driving our business forward, ensuring that FXMarketSpace can continue to meet the growing demand for its unique offer.”

About FXMarketSpace

FXMarketSpace, a 50/50 joint venture between Reuters, and CME, is the first centrally-cleared, global, over the counter foreign exchange (FX) marketplace. FXMarketSpace will be the first FX platform involving the entire spectrum of market participants including global and regional banks, asset managers, corporations, hedge funds and other market makers. The platform utilises CME’s central counterparty model and clearing function, with access via Reuters premium desktop services and CME’s API. The result is a platform that is uniquely positioned to reduce risk, provide deep liquidity, support anonymity and price discovery, while cutting costs and increasing efficiencies for inter-dealer and institutional FX transactions.
